Sarah, sorry to bother you when this has been such a difficult week. I hope you and yours and your colleagues at EPA are safe and haven't had great difficulties because of Storm Sandy.

Two weeks from today the extension of the deadline for financial assurance expires. In that we do not know what participation will ensue for RM 10.9, we ask for a further extension. I didn't want to wait to make this request until closer to the current deadline, as there may be difficulties and disruptions beyond what are reported in the media.

Please let me know what is needed for us to advance this request. Carol
